STUDENT ALLERGY INFORMATION

The School Board of Port Edwards School District believes that live animals in the classroom provide opportunities to learn about diversity, habitat, humane care, animal growth, and development, reproduction and behavior. It is equally important that safety precautions be an integral part of the proper care and hygiene associated with the housing of an animal at school. The use of live animals in the classroom will be conducted in accordance with Board of Education policy (383) and procedures, including the gathering of information related to student allergies.

Please choose below:

NO, my child does not have any known allergies to animals.

YES, my child does have an animal-related allergy.

If yes, please specify the type of animal which causes the allergic reaction:
